

Plants for sale 2013

All the plants we offer are grown from organic, heirloom seed and free of chemical fertilizers, herbicides, fungicides and pesticides. Except where stated all plants are \$3.50 each with discounts for orders of over 6 of one variety.

Please order by 28th February. If you have any of our pots please return them at the time of collection for a discount. Everyone ordering will receive a \$5 certificate towards any workshop.

Please note: P= perennial in our zone & A= annual in our zone

**** Tomatoes –(A)**

Our tomato plants are indeterminate unless stated otherwise.

Al Kuffa - Very reliable, determinant plant, good in pots, tasty.

Amish Paste - Large roma type perfect for canning and pasta sauce. A great producer.

Beefsteak – Popular old variety, deep red, large and delicious.

Brandywine - Potato-leafed variety dating back to 1885. Large pink fruit.

Chocolate Stripes – Orange and lime outside, reddish-brown inside, amazing appearance, rich taste.

Fox Cherry – Very reliable cherry type, sweet and juicy.

Ferris Wheel – Large pink variety, very sweet flavor.

Raspberry Lyana - Medium sized, pink and rich. One of the earliest producers.

Reinhard's Goldkirche – Ready to eat in just 75 days. Masses of one inch, sweet golden fruit.

Reisentraube - An old German heirloom, sweet red 1 oz fruit with a rich flavor, amazing crops.

Rutgers- Beautiful, large, red globes. Prolific.

Sungold Select II - A sweet, tangy yellow, sometimes orange, cherry, which occasionally turns up red!

Tappy's Heritage - Medium sized, reliable red fruit, good disease resistance.

Thessaloniki - Large, red Greek variety, high yield and excellent flavor.

Woodle Orange – Large, round fruit, beautiful color and rich complex flavor.

**** Sweet Peppers (A)**

California Wonder - Good old variety and popular multipurpose green pepper.

Corno di Toro Rosso - Long, sweet red, from Italy, a beautiful plant.

Hungarian Yellow Wax – blocky fruits, mild flavor, great for frying.

Jimmy Nardello – long, thin skinned, ripens to a rich red, full of flavor.

Lipstick – Super sweet with thick red flesh.

Melrose - 4 inch fruit, deep red, very sweet.

Orange Bell - The name says it all, sweet, blocky and wonderful taste.

Purple Beauty - Colorful and prolific.

Yellow Monster - Huge yellow fruits, very meaty.

**** Hot Peppers –(A)**

Anaheim Chile Pepper - mildly hot excellent for stuffing or roasting.

Caribbean Red Habanero - Very hot! Spicy and ornamental, lantern-shaped orange fruits.

**** Hot Peppers (con't.)**

Cayenne Long Thin - Slender, red and very hot! Good for drying.

Hot Romanian - Round, red, tomato-shaped and hot, very pretty pepper.

Hungarian Hot Wax - Ready in 70 days. An old-fashioned favorite, good for canning, pickling & sauces.

Jalapeno Craig's Grande – Fat and flavorful, superb for salsa.

Purple Jalapeno – Turns deep purple and matures to red. Great for salsa.

Santa Fe Grande - Spicy, gold and ornamental, heavy yield.
